

Wren Class weekly bulletin W.B 05.07.21

As we come to the final week (and a day) of our Wren journey, we would like to take a moment to say just how wonderful your children are. Each and every one of them have worked so hard throughout this tough year, facing challenges with determination and enthusiasm. It has been a privilege to watch them grow, and have a little part in their story.

Anyway, back to the bulletin!

I think you will agree; the children were all absolutely brilliant in Monday's Dance Festival. If you haven't already watched the You Tube link sent out on Tuesday, please take a few minutes to do so. The dance was quite difficult to remember and they nailed it!

We really enjoyed our Forest school session this week. Mrs Lydon showed us how to make a tree cookie necklace, and how to safely whittle wood in order to secure a marshmallow on the end! What a treat it was to toast them over the campfire and make s'mores!

We have been busy practising our country dancing, which we will be performing on Monday. Mrs King will be videoing us, and will compile it with the country dancing from the rest of the school, and you will be able to watch it via a link that Ms Chappell will send you.

We had a great time creating our Forestry Artwork, which will be displayed at Paulerspury Church during the annual village Fete and Flower Festival on Saturday 28th August. There will be lots of games and stalls for everyone to enjoy, so it would be great to see you there!

The children had a fantastic afternoon today for our whole school sports afternoon. The children all did really well and participated in each of the games with excitement and enthusiasm. Thank you Mrs King for organising!

Our book focus next week will be Pirates Next Door.

You can help your child at home by:

- Supporting your child with their phonics. Encourage them to read signs, titles, magazines or any other words they can spot in their everyday environment.
- Continue reading and discussing a range of fiction and non-fiction books with your child.
- Counting with your child. Count the steps they are taking, how many stairs they have at home, how many red cars they see on the way to school.

Calendar for week beginning 11th July 2021

- ✓ **MONDAY** – Everdon – Children need to come into school in long trousers and long length tops, wellies and waterproofs. We will be getting the coach to Everdon and will be staying all day. The children will need packed lunches, and they will be provided with an evening meal. We will arrive back at school for collection by approximately 18.15.
- ✓ **TUESDAY** – Transition Day
- ✓ **WEDNESDAY** – Pirate Next Door book focus
- ✓ **THURSDAY** – Rookery Farm – Mrs Fisher, Mrs Horn and Richard (Mr Fisher) will be taking Wren's to Rookery Farm as an end of year treat. **UNIFORMS WILL NEED TO BE WORN**
- ✓ **FRIDAY** – Pirate Party Day

Please remember, as the weather is unpredictable at the moment, sun hats and sun cream **MUST** come to school **DAILY**. As teachers are not able to apply your child's sun cream, it is advised that it applied before

school at home, and then they can be supervised whilst topping up sun cream at lunch time. Water bottles must come into school **DAILY**.

Last week we didn't have a celebration assembly so this week we have chosen two children to go into the celebration book.

So, congratulations Saul for being in the celebration book. It is really nice to see him trying to work a bit more independently. Very well done Saul. Keep up the good work!

Also, congratulations Freddie for being in the celebration book. Freddie ALWAYS gives things a go. He tries so hard and has made excellent progress. Great work Freddie!

As always, if you have any questions, please email wren@paulerspurysschool.co.uk or speak to one of us at either drop off or pick up.

Have a lovely weekend.

Mrs Fisher and Mrs Horn
