## Our Value This Month is Honesty

### Governor Message

I'm Edward and I've been a foundation governor since 2018.

I live in Pury End and have been a parent at school since 2015, with 3 children that have and do attend the school - Olive, Arthur and Alfie.

I am chair of the Building and Finance Committee. I am very proud of the new rooms that we have been able to add on and relieved at the smart, new roof! We have a wonderful school building and grounds.

I work as a manager at a financial technology company. When not working from home in Pury End, I work in London. I love cricket and classic cars - in that order. You might also see my cycling or running through the village. I have 2 very small dogs, if you meet them they may bark but don't worry, they don't bite.

Edward

Well done to those pupils recognised in Celebration
