Our Value This Month is Courage

Governor Message

I'm Vikki and I've been a parent governor for 6 months. I joined the governing board as I want to support the school in helping all children reach their academic potential, as well as developing their social and emotional skills. I live in the village, have been a parent at school since 2013 and have a son, Jude, in year 5.

I've held Human Resources and Training & Development roles at organisations including Levi Strauss & Coca Cola and now work in the civil service.

Outside work I love to spend time with family and friends, enjoy painting (art, not walls!), I play and coach netball for Towcester Tornados, love Zumba and you've probably seen me walking the dog in the village.

Once restrictions ease, I'm looking forward to spending time with the children in school.

Well done to those pupils recognised in Celebration
