Governor Message

My name is Peter French and I am a foundation governor which means I am appointed by the Church. I am also the Deputy Director of Education for the Diocese. I have a lot of experience as a governor having been a governor of a large number of schools for almost thirty years. I do hope I can make a positive contribution to what is a lovely village school.

I live in Northampton with my wife. I have a grown up daughter who lives and works in London and twin daughters who are at University. I am a season ticket holder at Northampton Town and have supported the Cobblers for many years.

Well done to those pupils recognised in Celebration
